

Art Makes Children Powerful

Inspired by our upcoming exhibition *Hogarth: London Voices, London Lives*, we want you to use your voice and create a poster that expresses a message you feel passionate about.

What you need

Pens | Pencils | Paint
Something to create your artwork on: paper, card, fabric etc.

What to do

1. Brainstorm what issues are important to you. What do you want your art to say?
2. Once you've chosen what issue/message you are going to focus on you can explore the work of other artists for inspiration.
3. Get creative and make your artwork!
