PITZHANGER SUPPLIERS

At Pitzhanger Manor & Gallery, we work with a community of suppliers we know and trust. This ensures everything runs smoothly so that you can focus on what really matters.

ABOUT OUR SUPPLIERS LIST

At Pitzhanger Manor, we are proud to offer our Grade I listed buildings as a unique and beautiful setting for your event. Our suppliers play an important role in helping us bring every event to life while ensuring that the buildings are cared for and protected. Due to our Grade I listed status, we work with a trusted selection of caterers and florists, and clients are required to choose from our approved suppliers in these areas. Our wider list of recommended suppliers has been carefully curated through much experience at Pitzhanger Manor, with many having built a strong friendships with our team and buildings over time.

We are also delighted to welcome new suppliers to Pitzhanger. We understand that every event is different and love seeing each client's individual vision come to life. With this in mind, you are welcome to source additional suppliers for styling, music, photography and other elements of your event, provided they meet our site requirements. Before they can work onsite, we will need to receive valid Public Liability Insurance and PAT testing certificates where applicable.

You are welcome to bring your own alcohol through our Corkage Package, which for licensing purposes, a corkage fee of £5 + VAT per person applies provided that any alcohol being served is served by your chosen caterer. They will run the bar, supply glassware and crockery and we will dispose of bottles at the venue.

Once your suppliers have been confirmed, our team will liaise directly with them to coordinate access, timings and logistics, while ensuring that everyone is familiar with the rules and regulations associated with working within a Grade I listed building. This helps us to protect the character and fabric of Pitzhanger while ensuring your event runs smoothly.

Once your booking is secured, please follow our Next Steps Guide for further information on booking suppliers, submitting the required documentation and finalising the details that will make your event truly memorable.

Go against what you think is the done thing, stand out from the crowd it really works 200% better.
